The View contains news and articles of interest to the members of the Folsom Point church of Christ. Announcing an activity or event does not necessarily imply that we financially sponsor the event or that the elders specifically endorse every component of that event, since it may not fall under the direct oversight of the elders. The church's work and the elders' oversight is limited by Scripture. We will not announce events that are primarily social in nature. However, we do want to publicize those activities that provide an opportunity for you to be a more involved and active member of the body.

### Kids' Humor

I had been teaching my three-year old daughter, Caitlin, the Lord's Prayer for several evenings at bedtime, she would repeat after me the lines from the prayer. Finally, she decided to go solo. I listened with pride as she carefully enunciated each word right up to the end of the prayer: "Lead us not into temptation," she prayed, "but deliver us some e-mail."

One particular four-year-old prayed, "And forgive us our trash baskets as we forgive those who put trash in our baskets."

A Sunday school teacher asked her children, as they were on the way to church service, "And why is it necessary to be quiet in church?" One bright little girl replied, "Because people are sleeping."
