What is that "thing" in the womb?

But the children struggled together within her; and she said, "If it is so, why then am I {this way?}" So she went to inquire of the LORD. The LORD said to her, "Two nations are in your womb; And two peoples will be separated from your body; And one people shall be stronger than the other; And the older shall serve the younger." *Genesis 25:22-23*

Today we can actually see what they described and asked God to explain to them. By now, all of us have seen a sonogram – a picture

**"LITERALLY, THE MOST
DANGEROUS PLACE IN THE WORLD FOR A CHILD TO BE IS
IN HIS MOTHER'S WOMB."**

of the very thing described in Genesis 25. True science enhances rather than contradicts. Today we can witness what once only God could explain.

Notice that whether in the womb or out, God's designation is the same: *They are children*. There is more to be gleaned from this Bible passage however. Note that God is also seeing the potential of those two young men and has their destiny planned. The loss of that human's potential is one of the incredible areas of damage done by the barbaric practice of abortion.

What might the 60,000 human beings slaughtered by one abortion doctor (some the day before they were born, according to his own word) have become? These are enough in one generation to establish a fair sized city!

I have obviously made this connection. But the more important question is, "Does God make this connection?" Actually yes, He does.

Note Jeremiah 1:4-6

"Now the word of the LORD came to me saying, "Before I formed you in the womb I knew you, And before you were born I consecrated you; I have appointed you a prophet to the nations." Then I said, "Alas, Lord GOD! Behold, I do not know how to speak, Because I am a youth...."

So, God forms a baby and He knows him, before he was ever born. Is this a fluke? Consider also Psalms 139:12-17:

Even the darkness is not dark to You, And the night is as bright as the day. Darkness and light are alike {to You.} For You formed my inward parts; you wove me in my mother's womb. I will give thanks to You, for I am fearfully and wonderfully made. Wonderful are Your works, and my soul knows it very well. My frame was not hidden from You, when I was made in secret, skillfully wrought in the depths of the earth;

Your eyes have seen my unformed substance; And in Your book were all written The days that were ordained, when as yet there was not one of them.

How precious also are Your thoughts to me, O God! How vast is the sum of them!

Have you noticed that while men stumble and stammer, the Bible is *very consistent* on this subject? It's a Baby. God oversees the matter. These babies are precious and have incredible potential.

OK, so It is a baby in the third trimester, but is it simply a fetus or something else in the first and second trimester?

The Bible gives us an example. Consider, if you will, the possibility of the aborting of the baby Jesus. In our country such is legal.

Mary and Elizabeth. Luke 1:26-56

Note these undeniable specifics for all Bible believing Christians:

- 1) It was a baby that leaped for joy.
- 2) This baby heard, perceived, understood, and then felt Joy vs. 44.
(I recall that Ronald Reagan once said the fact that convinced him abortion was wrong... was when science proved by using brainwaves that the baby could feel pain... including the pain of an abortion!)
- 3) Early in the first trimester. that was already a person in there. "It" was the Lord!
- 4) By all definitions early in the first trimester... Mary is a mother! Vs 43.

Jesus is here described as the fruit of the womb in the first trimester. Does any passage call the fruit of the womb a child? Actually yes, they are one and the same. In Psalm 127: 3, the writer

says, "Behold, children are a gift of the LORD, The fruit of the womb is a reward."

Consider the legacy of our generation. Since Roe v. Wade changed the law and the onslaught began, Millions upon millions have been killed in the womb. Well, over a million per year by all accounts. Literally the most dangerous place in the US for a child to be is in his mother's womb.

I once watched a video put out by the right-to-life movement of a sonogram of an abortion. I saw a peacefully contented child fight for his life and try to get away but there was no where to run! It was horrible. We can choose ignorance over knowledge, but God knows and God knows that you know!

If you really think that the rhetoric fails and that those are not babies inside the womb, as the Bible and the ancient world together have said, watch the video, if you dare. Here is a link to that video: www.silentscream.org. (I have not watched this video and will not; I do not need it to be appalled by abortion or convinced that it is evil. But some may need convincing. DP)

As people of faith, we cannot afford to fail to cry out and speak up for those who scream out in a pain that no one other than their loving Creator can hear.

Sacred Selections

This is a good place to remind you that we have an excellent resource in Dana and David Carrozza who, through their organization, "Sacred Selections," helps birth mothers avoid abortion by explaining and enabling the adoption process. If you know anyone that is considering an abortion, try to convince them to speak to Dana before they terminate the pregnancy. A little reported fact is that abortion can cause life-long psychological problems for the woman who goes through with an abortion, as they struggle with guilt.
